General Department.

Sir,

I have the honor to state that near the Lakshmipuram Police Station, Mysore City, there is a vacant land belonging to Turuvekere Basaraj Urs which is suited not only for building Police Lines but also for use as a drill ground. The acquisition thereof for the Department has been under correspondence for some years, but the want of funds was an obstacle. The President of the Mysore City Municipal Council, with whom the correspondence was carried on, says that the owner has no objection to the acquisition but decidedly objects to indefinite postponement. The cost is provisionally estimated to be Rs. 2,200/-. The value of lands is rising and when acquisition is thought of later, a larger sum will have to be paid. The site is very well suited for our purposes. Though construction might be put off, acquisition cannot. Whether any money can be found from the Police Budget will only be clear later towards the end of the Official year. In the mean-time the declaration statements enclosed might be published and the Chief Officer authorised to take order for acquisition.

I have the honor to be
Sir,
Your most obedient servant,

Inspector General of Police.
